In 2005, Rachel Devenish Ford, 25-year-old pregnant mother of two, moved with her husband to the woods of Northern California and began her blog, Journey Mama. In writing about her life-all the funny things, the sad things, and the beautiful- she found a way to see it again for the first time, and a way to cultivate joy in a life that had been overwhelming to her. In the process, she encouraged and inspired people around the world. The first in a series, Trees Tall as Mountains is a collection of the best posts of the first three years of Journey Mama. In them, Rachel Devenish Ford describes life in an intentional community, her love for her Superstar Husband, her dysfunctional relationship with large grocery stores, and the antics of her young children. As Rachel works to overcome sometimes crushing anxiety, love the people around her, and grow in her faith in God, she writes about it all with tenderness and humor. Funny and profound, Trees Tall as Mountains is a life-changing book.
